Sir:

Enclosed is a copy of the Filing Receipt for the above-identified patent application. Please reprint the Filing Receipt as follows and mail the corrected copy to the undersigned.

Change the Continuing Data as Claimed by Applicant "THIS APPLN CLAIMS BENEFIT OF 60/151,531 08/30/1999" to -- "THIS APPLN CLAIMS BENEFIT OF 60/151,531 08/30/1999 AND 09/615,967 07/14/2000" --.

Attorney Docket No. RECOP017

Since this is a Patent Office typographical error, no fee should be due. However, the Commissioner is authorized to charge any fees that may be due to Deposit Account 50-0685 (Order No. RECOP017).

The above-referenced patent application was filed on August 30, 2000. However, the Application Processing Division has accorded a filing date of September 1, 2000. Accordingly, the Applicant hereby petitions the Commissioner to correct the filing date for the above-referenced application.

The above-identified application was deposited with the U.S. Postal Service on August 30, 2000 and included an Express Mail Certificate signed by the person who deposited the application. A copy of the transmittal including the Express Mail Certificate is included herewith. The Express Mail Certificate includes an identification of the Express Mail Mailing Label Number, and was signed by the person who mailed the application as required by Rule 10(b). A copy of the Express Mail Label is included herewith.

It is respectfully submitted that the foregoing clearly establishes that the above-referenced application was indeed filed by Express Mail on on August 30, 2000. Accordingly, the Commissioner is hereby requested to accord on August 30, 2000 as the filing date for the above-referenced application.

If any fees are due in connection with the filing of this Petition, including any Petition fees, the Commissioner is hereby authorized to charge such fees to our Deposit Account 50-0685 (Order No. RECOP017). However, in view of the fact that the Rule in effect at the time of the filing of the above-referenced application did not require the filing of a Petition in order to correct the filing date, it is respectfully submitted that the filing date should have been corrected without the requirement of a Petition and accordingly no fees should be due for filing this petition.

RESPONSE TO REQUEST CORRECTED FILING RECEIPT**Claims, Fees, Inventors and Continuity**

In response to your request for a corrected Filing Receipt, the Office is unable to comply with your request because:

- ☐ The total number of claims appearing on the Filing Receipt does not include multiple dependent claims. The total fee appearing on the Filing Receipt includes the cost of multiple dependent claims that were present at the time the application was filed.
- ☐ The filing fee is correct. It includes the surcharge under 37 CFR 1.16(e) for filing an oath/declaration or basic filing fee after the application filing date.
- ☐ The inventor information may be truncated if the family name consists of more than 50 characters (letters and spaces combined) and if the given name consists of more than 50 characters (letters and spaces combined). The inventor's residence allows for up to 40 characters (letters and spaces combined).
- ☐ The docket number allows a maximum of 25 characters.
- ☒ Continuity claimed under 35 USC 120 cannot be added to the Filing Receipt without supplying the relationship (i.e. continuation, divisional...).
- ☐ Foreign priority will appear on the Filing Receipt in the following order:
Country, Application number, Filing date.
- ☐ The person signing on behalf of the deceased inventor will be reflected on your Filing Receipt as the legal representative.
- ☐ The enclosed Filing Receipt was returned to the Office as undeliverable. We are sending a second filing receipt to the address given.

- ☐ Only one character per space is allowed. Therefore, punctuation which is usually placed above or below a letter, such as an umlaut (..), cannot be included on the Filing Receipt.

Any corrections that may need to be done to your Filing Receipt should be directed to:
